Enter new Email Address,
click “Send”.

The image shows a mobile application interface with a dark theme. At the top, there are two tabs: 'My Profile' and 'Identity Verification' with a warning icon. Below the tabs is the 'Personal Information' section. A modal dialog box titled 'Update Email Address' is open in the center. Inside this dialog, there is a text input field labeled 'Email Address *' containing the text 'abc@gmail.com'. Below this is another input field labeled 'Email OTP *' with the placeholder text 'Enter Email OTP'. To the right of the OTP field is a 'Send' button. At the bottom of the dialog is a large yellow 'Submit' button. The background app interface shows a 'Contact' section with a phone number '+60 11*****183' and an 'Edit' icon. At the very bottom is a navigation bar with icons for 'Promotions', 'Referral', 'Home' (highlighted), 'Deposit', and 'Account'.
