The image shows a mobile application interface for a gaming or betting platform. At the top, there's a header with a menu icon, an envelope icon, and a Malaysian flag. Below this is a 'Wallet (MYR)' section showing 'Cash 664.35', 'Chips 0.06', and 'Bonus 0.00' with an upload icon. To the right are 'Deposit' and 'Withdraw' buttons with corresponding icons. A 'More Applications' dropdown is below the wallet section. The main form area has two dropdowns: 'Transaction Type' set to 'Game Transaction' and 'Game Provider' set to 'Pragmatic Play'. Below these are two date pickers: 'Start Date' set to '2025/05/26 12:00 AM' and 'End Date' set to '2025/06/01 11:59 PM'. These date pickers are highlighted with a red rectangular border. At the bottom of the form is a 'Search' button. The bottom navigation bar includes icons for 'Home', 'Deposit', 'Referral', and 'Account', along with a large yellow circular icon containing a magnifying glass.
