The screenshot shows a mobile application interface for a financial service. At the top, there's a header with a menu icon, an envelope icon, and a Malaysian flag. Below this is a 'Wallet (MYR)' section displaying 'Cash 607.49', 'Chips 1.81', and 'Bonus 0.00'. To the right of the wallet section are 'Deposit' and 'Withdrawal' buttons. An 'Expand' button is located below the wallet section. The main section is titled 'Account Number \*' and includes a '+ Add Account' link. It shows a selected account: '164388889999 - Maybank'. Below this is a 'Withdraw Amount \*' section, which is highlighted with a red border. It contains a text input field with '100.00'. Underneath the input field is a 'Daily Count Balance:' section with buttons for '100', '500', '1k', '5k', '10k', and '20k'. A 'Submit' button is positioned below these options. At the bottom of the screen, there's a navigation bar with icons for 'Promotions', 'Referral', 'Home' (highlighted with a green circle), 'Deposit', and 'Account'. A green chat bubble icon is also visible in the bottom right corner.
